

# Affordable Warmth Action Day 2005

Friday 2nd December 10am - 3.45pm  
The Guildhall, Plymouth

Since the launch of the Devon Affordable Warmth Strategy two years ago, the Action Day will provide an opportunity to review progress so far. It will also refocus attention on the tasks in the action plan. Inspirational speakers will demonstrate how affordable warmth works across all sectors, and the extensive exhibition will give attendees a chance to see some of the projects and partners working towards affordable warmth in Devon.

*This day is your chance to **take action** and really make a difference.*

## **Who should attend?**

- Health workers • Local Authority Officers • Social workers • Outreach workers • Councillors • Housing Associations • Environmental groups • Charities • Landlords • Tenants associations • Fuel suppliers
- Anyone else who is interested.

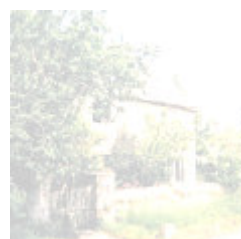

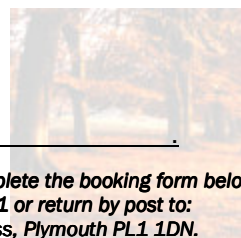

Linda Gilroy MP will open the event, and the afternoon workshops will be a chance to bring fresh ideas to the debate, and ensure affordable warmth is delivered to all households in Devon. This event will be a unique opportunity to 'do your bit'.  
A free lunch will be provided.

*Working together for warmer homes*
